Harvest Day Attendees and Sponsors Feed the Hungry

Each year, Harvest Day at Villa Maria is a bountiful celebration that invites families out of doors for fun, music, crafts, and food, while raising funds to support a program that sends produce from the farm directly to the tables of those who are hungry.

Villa Maria Farm donates half of the produce it grows to local food banks, shelters, and parishes.

Thanks to our sponsors, Aladdin Food Services Inc., Preston Toyota, and Mercy Health, the event is admission free. About 1,100 people attended the event in October this past year. Purchases of food and items from the farm, raffles, and donations from local businesses raised almost $7,000 for the food program.

Many thanks to our sponsors, our business donors, and all of those who attended!

Save the Date: Harvest Day 2017
Saturday, September 30, 2017 at Villa Maria
Migration and Refugee Services Retreats to Villa Thanks to Donors!

The Sisters invited the staff of Cleveland Catholic Charities Migration and Refugee Services (MRS) to enjoy a free retreat at Villa Maria at no cost in early November. They enjoyed unusually sunny November days while they engaged in discussions and planning. The Sisters will again be hosting a group of refugee families from the agency this year. Two of our sisters work with the agency, and HM Volunteers serve at Mary House which provides support for refugee single mothers and their children. The HM Community awarded an HM Salmon grant to help establish Mary House.

Also, MRS recently held an evening of gratitude for the HM grant from the Salmon Fund to Mary House where MRS serves refugee single mothers and their children. Some of our HM Service Volunteers are in service at Mary House. In addition they highlighted the family mentoring of Sr. Peg Cessna who has been working with refugees since 2007.
Haiti Donors Grow Food, Build Shelters, and Provide Clean Water in Aftermath of Hurricane

The HM Community recently directed $5,000 to our ministry partners, Sisters of St. Antoine in Fondwa, Haiti, to help them repair damage caused by Hurricane Matthew. The funds were contributed by our donors. Many of their structures completely collapsed in the 140 mph winds.

Also, $2,500 was sent to Ferel Bruno, ministry partner in Fond des Blancs, to purchase seed to replant the farm food production that was destroyed in the hurricane. An additional $2,000 was granted for a water purification project.

Other funds contributed were used for nutrition programs, emergency needs, and for medicine and supplies in the aftermath of the hurricane.

Sisters assess the destruction after Hurricane Matthew

Trails to Improve Thanks to Donor Contributions!

Many visitors don’t know that Villa Maria boasts two Audubon Certified Trails on the grounds. The trails need to be maintained, or they are quickly overtaken by vegetation. Weed whacking several miles of trails can be a time-consuming task!

Now, thanks to donor contributions, Villa Maria Farm was able to purchase a second-hand high-clearance riding mower that will make trail maintenance much more efficient! The next time you visit the Villa, check out the trails.

Left: John Moreira, Director of Land Management, examines the features on the mower for the trails.
Sponsorship Opportunity for Donors

Keeping Villa Maria beautiful enhances the experience for our visitors. One of the most iconic images at Villa Maria is the Humility of Mary statue in the circle drive at the front of the Conference Center. The statue, for which Sr. Mary-Joanna Huegle created the drawings to guide the unknown sculptor, is one-of-a-kind and represents the core of the community’s devotion to the spiritual demeanor of Mary.

We are currently searching for a sponsor to contribute $2,000 annually to have the circle professionally landscaped and maintained. The sponsor will have a dedication plaque placed in the circle for one year. Each year the funds will be used to provide upkeep and beautification for the front entrance area. For further details, please contact Wendy Wareham, Director of Development, at 724-964-8920, x3232.

The Humility of Mary statue is a site that greets all visitors at Villa Maria.
Thank You, Donors!

The Heritage Society

The Sisters of the Humility of Mary established the Heritage Society to honor those who make legacy gifts in support of our mission to bring more abundant life to God’s people, especially the poor. The Heritage Society recognizes special friends whose vision and generosity have inspired them to donate to the Sisters through a bequest or other planned gift.

We are grateful for those who have chosen to remember the mission of the Sisters through an estate gift. For information on how you can include the Sisters in your will or estate planning, please contact the Development Office at 724-964-8920 x3291.
