## The Villa Maria Farm Produce Market

**Hours are Wed. - Fri. Noon to 5 pm and Sat. 10am - 2pm.**

**Note:** Unlike many other farm markets, the Villa Maria Farm sells only produce grown here; we do not purchase produce from wholesalers to supplement our own. Occasionally, we'll run out of a particular product due to high demand.

**Self-Pick Blueberries:** Hours for self-pick are during market hours (Wed thru Friday from Noon until 5pm and Saturdays from 10am to 2pm). Arrangements can be made for other days and times by calling John at the above phone number or by email a day in advance.

*All labor is done by staff and volunteers. Volunteers and those needing Service Work hours are welcome. Call John at the above phone number or by email to arrange a date and time to work.*

**Recipes Wanted:** We're looking for recipes that utilize fresh vegetables and herbs. This does not exclude recipes with meat. We are printing them and giving them to customers of the Produce Market.

*Also: We have Hundreds of 6' lengths of used sisal baler twine for anyone who wants them.*
