The Villa Maria Farm Produce Market

Hours are Wed. - Fri. Noon to 5 pm

***Closed Saturday, September 1st
for the Labor Day Holiday Weekend***

Note: Unlike many other farm markets, the Villa Maria Farm sells only produce grown here; we do not purchase produce from wholesalers to supplement our own. Occasionally, we'll run out of a particular product due to high demand.

All labor is done by staff and volunteers. Volunteers and those needing Service Work hours are welcome. Call John at the above phone number or by email to arrange a date and time to work.

Recipes Wanted: We're looking for recipes that utilize fresh vegetables and herbs. This does not exclude recipes with meat. We are printing them and giving them to customers of the Produce Market.

Also: We have Hundreds of 6' lengths of used sisal baler twine for anyone who wants them.

Also: We no longer need plastic clamshells-Thanks to those who have donated them in the past.
